PROFILE

I am Qo'ldoshev Alibek, a passionate and dedicated developer with a strong interest in building modern and efficient software solutions. I enjoy learning new technologies and applying them to real-world projects.

WORK EXPERIENCE

Personal Projects

- Mini Websites with HTML & CSS - Built multiple responsive landing pages and small-scale websites to practice layout design, styling, and web accessibility.
- UI/UX Experiments - Created clean and user-friendly interfaces while experimenting with different design approaches.

Freelance Practice Projects

- Developed simple responsive landing pages.
- Worked with local small tasks to strengthen frontend skills.
